A Message from Robert Hannon

Dear Folks living on, what I still think of as my mail route (43620 route 2005, Old West End Toledo, Ohio), I am writing to let you know why I dropped off the face of the planet. As some of you know I had a heart attack in January of 2020, and had to have triple by-pass surgery, but that is only part of the story. Prior to all of that I had changed the medication I was taking for Multiple Sclerosis, due to increased side effects. In the fall of 2019, that new medication, seemed like almost a panacea until the Corona virus hit our country, then my cardiac rehab program was shuttered. My doctors warned me not to return to work while the virus was surging. At first they kept me off til March, then when things were not improving extended til May, again, no improvement in May and extended sick leave through July, as the summer progressed and the incidence of Covid 19 only seemed to be increasing my doctors recommended that I never return to work. This has been one of the most difficult life changes I have ever faced, and hardest for me to accept that I am physically not able to provide the service I so prided myself on bringing to my route. I miss being there and seeing all of my wonderful neighbors on a daily basis, and wish I could be back there doing that again.

Love and gratitude for all the years of support. I am truly honored to have been lucky enough to serve you for as long as I did.

Yours always, Robert

Letter from the President

Next couple of months will be key

I really hate to sound like a broken record, but please be vigilant regarding social distancing, wearing a mask and washing your hands. We have all read or heard about universities opening, and then quickly closing. COVID-19 is still very much here, and as we start to head indoors as the temperature drops, we need to continue to follow Covid protocols. Everyone is tired of this pandemic and can't wait until an effective and safe vaccine is developed, but please do the right thing: look out for others, be attentive, and stay distant and safe.

Upcoming OWEA committees need volunteers and get ready to Vote!

As I mentioned briefly in August's Zoom picnic meeting, there are two committees looking for volunteers. The two committees are the Finance Committee and the Nominating Committee. Both committees have relatively short-time commitments.

The Finance Committee's main purpose is to create the annual budget. The committee is led by OWEA Treasurer John Shaw. Once the committee develops and agrees on a budget, the budget is reviewed by the executive committee and then brought to the general meeting. The budget is read twice, once at the November meeting and again in December. It is at the second reading in December where it is voted upon. Time commitment is a 1-2 hour meeting in October.

The Nominating Committee is made up of 3-5 members and it is their job to propose 2021's slate of officers (President, VP, Treasurer & Secretary) and any trustees who terms are expiring. The Nominating committee is appointed in September and will present the proposed slate at the October meeting. Voting on the slate takes place at the November meeting, and officers and trustees are sworn in at the December meeting. Time commitment can range from 1-4 hours depending on how level of recruitment activity.

ALL NEIGHBORS ARE ALWAYS WELCOME

Seems like a lot of things to vote on.....can I vote?

Per our by-laws, in order to vote you must be 18 or older, reside within the boundaries of OWE and be an active member. Active members have attended at least two full meetings in the 6 months prior to action to be voted upon. So – it is not too late to become an active member! Simply attend the September and October meetings and you will be able to vote on the budget and the slate....and other interesting topics that require a vote.

Oh yeah, there is another election in November...

I, personally, encourage everyone to come up with a plan on how to vote in November. Election day is Tuesday, November 3. Ohio allows any voter to request a ballot by mail. You can also vote in person. Ohio offers early voting. To request a mail-in/absentee ballot simply go to: https://www.ohiosos.gov/global/assets/elections/forms/11-a_english.pdf and fill out the form. Mail it to: Board of Elections at: One Government Center, Suite 300, Toledo, OH 43604.

Preservation Committee

The OWE preservation group met on 8/12/20. Our next meeting date and location will be sent out on the facebook preservation page. The Preservation group is looking for a new secretary. **A special thanks to Judy Stone, David Kosmyna and Skip Gaynor who did a salvage items sale** and we hope to do more in the future. If you have old items that you would like to donate for salvage, please drop us a facebook message.

We are planning to have an educational class of getting your furnace ready for winter, more information to follow with date and location.

Remember if you are doing work on the exterior of your home, you must obtain a COA. You can find more information on this at: www.toledoodwest.com.

Arboretum Work Days

Thank you to everyone that showed up at the August 15 workday. A lot of necessary weeding and trimming was accomplished.

UPDATE: Due to the extensive re-grading and cost put into the park this year, we are asking for a **"no wheels"** (golf carts, motorcycles, and mopeds) requirement put in place for the park. The grass is looking good now and when we have these vehicles going through the park every day, the grass can't keep up - especially after a rain storm. Lets keep our "Urban Oasis" looking great for all of us! Thanks, ARJA Board

DISTRICT 4 and the Warren Commons Project

WOVE and our Attorney Terry Lodge continue work on stopping another Drug and Alcohol rehab center for District 4. Recently a letter was sent to Law Director Emch with a promise from him that he would respond by Aug. 19th. This is with regard to the illegal transfer of the former Warren School Site, which by the way, was set aside in the 20/20 plan to be green space. It's the only green space for that neighborhood. On Aug. 20 we were informed from Law Director Emch that he had missed the deadline and asked for another week. The Warren Commons Project is to be another Drug & Alcohol facility for District 4. Out of 40 known Drug and Alcohol facilities, District 4 has 26. District 4 is way over the legal limit for these kind of facilities. If you did not know this ... we are a part of District 4.

COMMONS PARK

Let us shout the praises of the beautiful Commons Park and the volunteers who's volunteer efforts are so appreciated.
